

Next Steps:

Read through Acts 6:1-7 and 8:1-40. We learn from Philip that we all have a ministry to fulfill (serving the Hellenistic widows) and a message to share (the people in the town in Samaria and the Ethiopian on the desert road)... usually in that order. What ministry is God asking you to fulfill that will open doors for the message God wants you to share? Spend some time praying about this. Write down the thoughts that come to your mind.

We have been talking a lot about what it means to know and live your purpose. One of the most important steps you can take on this journey of your lifetime is to know the spiritual gifts God has given to you.

Spend some time this week reading about these spiritual gifts in 1 Corinthians 12, Romans 12, Ephesians 4, and 1 Peter 4.

Make a list of all of the gifts listed in these passages.

Have you seen any of these gifts manifested in your life?
Which ones?

Just as important as knowing your spiritual gift is actually using these gifts to honor God and strengthen His church. How are you using your gift(s) in the church?
