

Next Steps:

Most people have questions about knowing the will of God. There are general areas of God's will that are the same for all of us. These next four passages listed below describe God's will for each of us. Before you read these passages, pray and ask God to open your eyes to see His truth and open your heart to receive His truth.

Write out in your own words what these passages are saying about God's will.

What commitment do you need to make in regards to each of these passages? Are there things you need to do? Are there things you need to stop doing?

John 8:38-40

1 Thessalonians 4:3

1 Thessalonians 5:16-18

1 Peter 2:15

The Apostle Paul writes in Ephesians 2:10, "We are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do." This passage tells us that God has something for us to specifically do while here on this earth. If we want to live a fulfilling life, then you need to be intentional about discovering and doing that purpose.

Read Romans 12:1-8. What does this passage say are things you can do in order to discover and live into your special purpose?
