Happy New Year!

WEDNESDAY NIGHT PROGRAMS

Start again on
January 8th

HIGH SCHOOL WINTER CAMP

We had such a great time this past weekend at the High School Winter Camp at Alpine Camp & Conference Center! We could not have asked for more perfect "winter weather" - tons of snow on the ground, 50's during the day and clear skies and roads! God taught us some great stuff and I'm excited to see how students apply it back in the "real world".

Baja Bound - House Building Trip

We will again be heading to Ensenada with Baja Bound for our third annual trip to build a home for a family in need. In 2004 the founders of Baja Bound became aware of the dramatic needs of the immigrant communities traveling north to work in the agricultural fields of Baja. They stumbled across a magnificent plan to build an incredible home quickly and affordably; the rest is history. We will build a 16 x 20 foot, insulated home on a concrete slab for a family!. Our food and lodging will be taken care of by Baja Bound. It's a mission trip and retreat all rolled into one! Middle Schoolers need to have a parent with, but High Schoolers can be on their own.
