

KID'S KREW NEWS

Is there a wrong way to pray?

Have you ever been asked to pray and were worried you wouldn't know what to say? Or maybe you were afraid to pray because you thought you wouldn't say the right things? One of the coolest things about our God is He just wants to spend time with us. He doesn't care if our prayer has fancy words. He wants to hear our hearts. God wants to be our best friend. He wants us to come to Him when we are excited, when we are sad, when we are mad, when we just need someone to talk to, when we are worried, when we need help. He wants to hear about your day. When we pray it is just like we are having a conversation with God. Talk to Him like you would talk to your mom, dad or friend. There is no right or wrong way to pray. One way we can pray and help stay focused is to simply CHAT with God.

C.H.A.T. with God

C

Confess

We all make mistakes (maybe it was a lie or yelling at your sibling or not listening to your parents). God already knows we did it. But when we come to God and tell him about it and ask for forgiveness it shows that we trust God and know that He loves us no matter what. It also brings us closer to God.

H

Honor

God loves to hear our worship. Tell God how awesome He is. Tell Him how amazing His creation is. When we honor God it also reminds us of all He has done and all He continues to do. It reminds us how big God is!

A

Ask

God says we can ask for anything in His name. We can ask for wisdom, help, healing, comfort, boldness. We can ask for those things not only for ourselves but for others too.

T

Thank

Take some time to say thank you to God. Be specific. What are you thankful for?

Remember, there is no right or wrong way to talk to God. Above is just a suggestion on how you could organize your thoughts. God just wants to spend time with you. Don't forget though, when you have a conversation with your friends you also listen to what they have to say. Next newsletter we will take a look at how God talks to us.
