

KID'S KREW NEWS

Did You Know??

It is estimated that women and girls spend a combined 200 million hours hauling water every day.

The average woman in rural Africa walks 6 kilometers every day to haul 40 pounds of water.

Every day, more than 800 children under age five die from diarrhea attributed to poor water and sanitation.

2.3 billion people live without access to basic sanitation.

785 million people lack access to clean water. This is about one in ten people on the planet.

How Can We Help?

As a church we will be partnering with World Vision and participating in the Global 6K for Water.

Grab your shoes, bring your bike or scooter and let's walk together so they don't have to!!

There will be 2 ways of participating this year. One way is to meet at church on the day of the event and we can distance out and walk the neighborhood. The other option is to find your own route of 6K and walk on your own.

Registration can be found on our church website (clairemontcov.org). If you have any questions email Nina at nina@clairemontcov.org

Alyssa's been catching up on some reading and playing beach volleyball

IN THE BIBLE

What happened after Easter? Read for yourself...

_____ Acts 1:1-11

_____ Acts 1:12-26

_____ Acts 2:1-13

_____ Acts 2:42-47

_____ Acts 3:1-10

Read a little Scripture each day on your own or with adult, friend or pet who likes to read.

Have your parents email Nina letting her know you've been reading to get a little treat delivered
