## **Next Steps For Next Week:**

In the midst of this Pandemic Era we need to be much more intentional about keeping connected with God and our family of faith. Over the next 5 weeks we want to look at 5 key priorities that will help us keep “Ship Shape.”

**Monday: Read Ephesians 2:1-10** According to Paul, how do you begin a relationship with God? What do you need to do? What are the benefits of being in relationship with God?

**Tuesday: Read John 1:1-14** How does your relationship with God change when you put your faith in Jesus?

**Wednesday: Read 1 Peter 2:1-12** Once you enter into a relationship with God how will that relationship grow and develop? What are some of the words/phrases Peter uses to describe your relationship with God? How are you supposed to live your life in this world?

**Thursday: Read Psalm 1** The “law of the LORD” is a reference to God’s Word. How often should you be “reading” or “reflecting” or “meditating” on God’s Word? What is the result of this careful attention to God’s Word?

**Friday: Read Psalm 19:7-14** According to this Psalm what language is used to describe the Word of God? What is the benefit of allowing God’s word to sink into the depth of your life?

**Saturday: Read 1 Timothy 3:10-17** How do the Holy Scriptures help make you grow in your faith relationship with God?

**Sunday: Read John 15:1-17** How does Jesus describe Himself? How is God, the Father, described? How are you described? Count up the number of times Jesus says, “remain in.” What are you doing to “remain” in Jesus?
